Don't forget:

any personal medication and first aid items

NB. If you are travelling with babies or toddlers, NO baby wipes can be thrown into the toilets due to blocking the septic tanks. Please bring suitable plastic bags for disposal of nappies and wipes. Also, please note that balconies and decks are not child-proofed so extreme care is to be taken at all times, and no children under 12 are allowed near the bush home pools without adult supervision.

You are entering a wildlife reserve so be aware that there will be moths, bees, lizards and all the living creatures that have their natural habitat here. Please discourage children from climbing under decks or venturing off roads and pathways.

Please remember that we are OFFGRID AND POWER IS FROM SOLAR! So please don't bring irons for your clothes and please turn off lights and fans in rooms not in use.
