

Guests at Royal Jozini – for your safety and the environment,

we would ask you to please adhere to the following rules & regulations:

- No open fires are permitted. Fires at lodge boma areas should only be lit if wind is not too high. No fireworks of any kind are allowed, for any occasion, anywhere on the reserve.
- Do not leave oil lamps or candles burning unattended.
- Please ensure braai fires are put out in entirety when not in use.
- No hawkers are allowed into the reserve.
- Guests may not have day visitors unless agreed in writing (ie caterer, yoga teacher, activity host)
- No wood harvesting is permitted at Royal Jozini (firewood for braais and bomas is available at the entrance gate)
- No littering – fines will be issued!
- **Strictly NO feeding of birds or animals, especially monkeys!**
- No pets (dogs, cats, birds or other) may be brought onto the reserve.
- No vehicles are allowed to drive off designated roads.
- No swimming is allowed in the dam.
- Children must be supervised at all times at lodge pools.
- Children must not play under decks at the lodges and must remain on pathways when outdoors.
- No motorbikes or quad bikes are allowed into the reserve.
- No drones are allowed in the reserve without the consent of reserve management.
- Walking, trail running & cycling is **ONLY** allowed in the East Shore Reserve, **with caution**. DO NOT do these activities outside the East Shore Reserve as there are good numbers of elephant in the greater reserve area. **Although there is a high wire electric fence to keep elephants away from the East Shore Reserve, they do, on occasion, break through this. Please regard ALL areas as having elephant populations and proceed with extreme caution before riding or walking anywhere.**
- There are designated trails for walking, running and mountain biking.
- **Game viewing** can be done from your vehicle throughout the East Shore Reserve.
 - Because the elephants and buffalo at Royal Jozini are not habituated, any game viewing undertaken **outside** of the exclusion zone must be done on a **guided game drive with a ranger, for your safety.**
- All animals are protected, and any poaching will result in immediate removal from the reserve and a criminal charge will be laid under the Game Act.
- No trees or shrubs may be removed.
- No camping is allowed.
- No day visitors are allowed unless they have booked a day conference at a lodge.
- Parking of vehicles will only be permitted within designated areas – no parking will be permitted on the roads and no parking on vegetation.
- The maximum speed limit inside Royal Jozini Private Game Reserve is 50km/h on the main roads, and 35km/h on all other roads. Speed trapping will be undertaken from time to time.
- **No guests are allowed to drive at night except to return to their lodge.**
- **Arrival check-in is latest 8pm and guests are to proceed directly to their booked lodge.**
- **When on a daytime game drive, guests must ensure to return to their lodge within half an hour after sunset.**
